

CONFERENCE MEDICAL POLICY / CHAMPIONSHIPS

2009-10 BIG EAST CHAMPIONSHIP MEDICAL POLICY

Each institution must travel with a Certified Athletic Trainer (ATC) when traveling with six (6) or more student-athletes to every BIG EAST championship in all sports other than men's and women's golf, men's and women's tennis and women's rowing.

1. An information packet must be compiled by the host institution for each championship and mailed to the visiting athletic training staffs a minimum of two weeks prior to the event.

Packet should include the following information:

- a. Host athletic trainer's phone and beeper numbers
 - b. Primary physicians on call with phone and beeper numbers
 - c. Other specialty physicians phone numbers
 - d. Area rescue service/hospitalization/emergency room treatment with maps
 - e. List of supplies and equipment that will be made available. Therapy equipment will be available to team athletic trainers ONLY. Teams that travel with less than 6 will be treated by the host ATC if presented with a written therapy prescription from that institutions athletic trainer.
 - f. Access to host facilities/ athletic training room with maps (training room hours should accommodate pre and post contest)
 - g. Available transportation by host school for non-rescue situations
 - h. Copy of reporting form for injuries. The host school should utilize its standard reporting form.
 - i. At all championships, the host ATC must be in possession of an AED.
2. A reporting form must be utilized by the host institution for all treatments/injuries. One copy must be kept on file at the host school and a copy should be sent back with the visiting athletic trainer, coach, or administrator.
 3. The NCAA blood rule will be followed for all championships. See the NCAA Sports Medicine Handbook for exact verbiage.
 4. Specific medical coverage requirements for each championship will be as listed below. Expenses incurred for complying with the following medical coverages are the responsibility of the Conference and should be included in the host school's settlement report.

Men's & Women's Golf	<u>Low Risk</u>	→ Certified Athletic Trainer (ATC) on site
Men's & Women's Tennis		→ Physician on call
Women's Rowing		
Women's Volleyball	<u>Medium Risk</u>	→ Certified Athletic Trainer (ATC) on site
		→ Physician on site
		→ EMS on site
